### Third Party Supplier Natural Gas Contract Summary Residential & Small Commercial

Third Party Supplier Information: <b>By entering into this contract, you are agreeing to purchase your gas supply from this supplier.</b>	XYZ Energy ("xyz") Phone: (123) 456-7890 Website: <a href="http://www.XyzEnergy.com">www.XyzEnergy.com</a> , Email: <a href="mailto:CustomerCare@XyzEnergy.com">CustomerCare@XyzEnergy.com</a> NJ License number GSL0033 XYZ will be responsible for providing your Natural Gas supply.
Price Structure:	<b>Fixed Rate 100% Carbon Offset.</b> For your <b>first</b> monthly billing cycle, you will pay an introductory rate of \$0.539 per Ccf. Beginning with the <b>second</b> monthly billing cycle, you will pay a Fixed Price per Ccf. for a period of consecutive months. Fixed rates for Natural Gas are all-inclusive rates that do not change over the specified term of the contract. Variable rates for natural gas are rates that may fluctuate from one billing period to the next during the term of the contract, based on multiple factors. Changes in the weather may affect variable rate pricing for natural gas. See terms and conditions for more details.
Generation/Supply Price:	For your <b>first</b> monthly billing cycle, you will pay an introductory rate of \$0.539 per Ccf. Beginning with the <b>second</b> monthly billing cycle, you will pay a Fixed Price per Ccf for a period of consecutive months.
Statement Regarding Savings:	Savings are not guaranteed.
Amount of time required to change from TPS back to default service or to another TPS:	Depending on your meter read date and your utility's switching policies, it may take approximately one or two billing cycles before a supplier change request is reflected on your utility bill.
Right to Cancel/Rescind:	You will have 7 calendar days from the date of the confirmation notice from your natural gas utility to contact your natural gas utility to and cancel this contract and your selection of XYZ as your natural gas supplier. Thereafter, you may cancel this contract pursuant to the "Termination by Customer" section of the Terms and Conditions.
Contract Start Date:	The start date of your natural gas supply service from XYZ will be a date set by your electric utility, which should be approximately one or two billing cycles after your enrollment with xyz.
Contract Term/Length:	billing cycles (the "Initial Term").
Cancellation/Early Termination Fees:	None
Renewal Terms:	At least thirty (30) days before the expiration of your Initial Term, XYZ will provide written notice to you of the Agreement's renewal that will set forth the proposed renewal option(s), including any applicable information required by the BPU. If you do not respond to this Renewal Notice, your contract will automatically renew on a month to month variable rate as described in your terms and conditions.
Distribution Company Information	Your natural gas utility will continue to deliver your natural gas and you will continue to pay your utility for such delivery service. You should call your natural gas utility in the event of any emergency, natural gas outage, or service interruption.
